

VALENTINE'S DAY

Dear Kindergarten Families,

This year, we will be celebrating Valentine's Day as a class on Thursday, February 11. Students are welcome to bring cards in for their classmates, given they provide an equal card to all students in the class. You may send in cards with a blank "to" field, or have your child practice writing their classmates names (see below for a class list). Students may also bring a Valentine's "mailbox" to collect cards in. If you do not send one in, students will be given a bag to hold their cards. Given the on-going pandemic, we will have some restrictions on Valentine's cards.

Valentine's may NOT include any candy or food. Non-edible treats are fine. Additionally, cards must be brought in by Monday, February 8 to allow for any germs from home to die off before cards are passed out. Cards brought in after this day will be distributed after students return from the long weekend.

Thank you,
Andrea Kout

Class List:

Lucas	Laya
AJ	Ansley
Leia	John Alan
Josie	Collins
Raina	Michael
Adriel	Claire
Owen	Jack
Boston
